

International Study Center

Pathway programs at Maine's flagship
top-ranked public university

isc.maine.edu

A Nationally Recognized

State Public University

As the state's flagship institution, the University of Maine prides itself on its quality academics, superior faculty and innovative research. Students are passionate about being leaders in their fields and solving real-world problems through sustainable solutions. At the University of Maine (UMaine) you will find courses that challenge you, research that will stretch your mind and professors who demand excellence.

And when you graduate, as one student says, you'll still be the same person you are today. Just a better version.

Raise your expectations.

RANKED 5%
AMONG THE TOP
OF UNIVERSITIES AND COLLEGES
IN AMERICA
BY U.S. NEWS AND WORLD REPORT.

Support

UMaine attracts the best and brightest faculty. Professors are active and award-winning researchers and scholars, but their first priority is you.

Spirit

Maine's only Division I University where athletics are a big deal. Whether on the ice, on the court, on the trails, or on the field, you will be part

of a tradition of academic and athletic excellence that dates back to 1865. Go Blue!

Success

When you join UMaine, you join a network of 100,000 successful alumni across all disciplines. In a recent Life After UMaine survey, 91% of students employed full-time after graduation believed UMaine prepared them well.

Quick Facts:

- **Category:** State public
- **Founded:** 1865
- **Location:** Orono, Maine
- **Student population:** 8,429 undergraduates; 2,058 graduates
- **International student population:** 400+ students from 80+ countries
- **Student to faculty ratio:** 15:1
- **Average class size:** 19
- **Faculty:** 418 full-time (97% with Doctorate degrees)
- **Institutional accreditation:** New England Association of Schools and Colleges, Inc.
- **Professional accreditation:** AACSB and ABET among many other specialized accreditations.
- **5 Colleges:** Business, Public Policy and Health; Education and Human Development; Engineering; Liberal Arts and Sciences; Natural Sciences, Forestry, and Agriculture; the Graduate School and Honors College
- **Degree programs:** 90 undergraduate degrees and pre-professional programs; 75 master's-level degrees; 30 doctoral degrees.
- **Student life:** NCAA Division I athletics and 200+ clubs and organizations.

A Spectacular Scenic Destination

Abundant recreation year-round with four beautiful seasons

Maine, also known as "vacationland", is a leading destination for outdoor enthusiasts. Some of America's most spectacular locations including Acadia National Park, Bar Harbor and Mount Katahdin are within easy reach. The town of Orono is an ideal campus setting on the banks of the Stillwater River, 15 minutes from Maine's third largest city, Bangor, and its international airport.

America's Day Starts Here

The university is approximately 15 minutes from Bangor, 2 hours from Portland and 4 hours from Boston. With direct flights from Bangor to New York, the Big Apple is only 50 minutes away!

The campus includes more than 24 kilometers of walking, hiking, biking or cross-country skiing trails. The campus was designed by legendary landscape architect Frederick Law Olmsted, who also designed Central Park in New York City.

#1 HAPPIEST PLACES TO LIVE

Maine's rank in a New England survey

MAINE IS RANKED AS THE #1 SAFEST STATE IN AMERICA

by the Institute for Economics and Peace report 2011.

A Premier Research Institution

At the University of Maine, students have the opportunity to publish, travel and work alongside UMaine's world-class scholars and scientists. With access to cutting-edge technology in state-of-the-art labs, teaching facilities and world-class research centers, UMaine students graduate with unparalleled hands-on research opportunities.

RANKED
among the top
8%
of colleges and universities

nationwide to be classified by the Carnegie Foundation for the Advancement of Teaching as a "Research University-High Research Activity" institution.

THE RAYMOND H. FOGLER LIBRARY IS THE OLDEST AND LARGEST RESEARCH LIBRARY IN THE STATE OF MAINE WITH MORE THAN
5.2 million holdings

CLIMATE CHANGE INSTITUTE is the founder and leader of the 21-nation International Trans Antarctic Scientific Expedition (ITASE) – a multidisciplinary project that has crossed thousands of kilometers over Antarctica collecting records of past climate change covering the last 200 – 1,000 years in an effort to understand the role of Antarctica in global climate change.

RECOGNIZED BY THE NATIONAL SCIENCE FOUNDATION AS A
TOP 100 PUBLIC UNIVERSITY FOR RESEARCH
WITH RECENT ANNUAL AWARDS OF MORE THAN \$100 MILLION.

ADVANCED STRUCTURES & COMPOSITES CENTER

A world-leading 8,000m² facility that currently has ten integrated laboratories under one roof. The Advanced Structures and Composites Center is leading the transformation in deepwater offshore wind research.

DARLING MARINE CENTER

A world renowned marine research and education center that has been operating for more than 45 years. With easy access to diverse habitats and the Gulf of Maine, hundreds of students and scientists have come in the last decade for state-of-the-art education and research.

THE FOREST BIOPRODUCTS RESEARCH INSTITUTE (FBRI)

The FBRI has made it its mission to find innovative and new uses for sustainably harvested wood from Maine forests. The work being done at FBRI could markedly change the way forest resources are looked at and utilized.

International Study Center

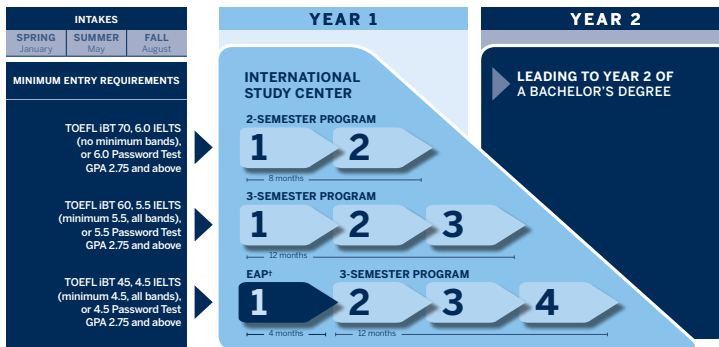

The International First Year and Pre-Master's Program

The International First Year

The International Study Center (ISC) delivers an International First Year (IFY) that combines English, academic and study skills courses to provide academic credits (27-31) for the first year of undergraduate coursework. Upon successful completion, students advance to the second year of their degree in the Business or Engineering majors listed opposite.

IFY pathway duration and course of study

Qualified applicants with a higher level of English (minimum TOEFL iBT 79 or 6.5 IELTS) can select from all undergraduate degree areas for direct first-year entry consideration. View available degree programs at go.umaine.edu/academics/majors-and-programs.

The Pre-Master's Program

The Pre-Master's Program (PMP) is for students who have met the academic requirements of the University of Maine, but who need additional English language and academic support to prepare for graduate studies. This one- or two-semester program combines English for academic purposes, study skills for graduate level coursework and orientation into the U.S. university system.

Pre-Master's Program course of study

Qualified applicants with a higher level of English (minimum TOEFL iBT 79 or 6.5 IELTS) can review additional graduate degree areas for direct entry consideration at www.umaine.edu/graduate. Direct applicants may be deferred to a later intake depending on time of application, departmental review times and cohort capacity.

These diagrams serve as a guide only.

Duration of the IFY and PMP program is determined by the results of the English language placement exam taken upon arrival at the University.

Pathways

Business Pathway

- Accounting
- Finance
- Management
- Marketing
- Public Management

Engineering Pathway

- Bioengineering
- Chemical Engineering
- Civil Engineering
- Computer Engineering
- Construction Management Technology
- Electrical Engineering
- Engineering Physics
- Mechanical Engineering
- Mechanical Engineering Technology
- Pulp and Paper Technology
- Survey Engineering Technology

PMP Program Options

A graduate preparation program for entry into the following degree areas:

- Business Administration, MBA
- Civil Engineering, MS
- Computer Engineering, MS
- Electrical Engineering, MS
- Mechanical Engineering, MS
- Engineering Physics, MS
- Elementary Education, MEEd
- French, MA
- Global Policy, MA
- Human Development, MS
- Secondary Education, MEEd
- Social Work, MSW
- Wildlife Conservation, MWC
- Wildlife Ecology, MS

Join us

Applying to the International Study Center is easy

How To Apply:

Online:

Download and complete an application form at isc.maine.edu

Locally:

Submit your completed application form and supplemental documents to your local educational representative.

By Mail:

Submit a complete Study Group application and supplementary materials to umsadmissions@studygroup.com or to the Raleigh headquarters at:
434 Fayetteville Street, Suite 2250, Raleigh, NC 27601 USA

Please include with your application copies of relevant documents, passport and English language qualifications.
